

Got Breast Milk?

You can help our most vulnerable babies!

Just 3 ounces of donor breast milk provides
12 feedings for a pre-term baby

If you have extra breast milk, think about becoming a milk donor!

At Delta Health Care's Breastfeeding Celebration,
NEW DONORS can be screened to become a milk donor and
NEW and CURRENT DONORS can donate frozen breast milk

WHEN: Saturday, August 3rd, 10AM-1PM

WHERE: Delta Health Care, 4662 Precissi Lane, Suite 500, Stockton

If you have questions, please contact Mother's Milk Bank or call for a
pre-screening today!
